Primary Examiner

A request for continued examination under 37 CFR § 1.114, including the fee set forth in 37 CFR § 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR § 1.114, and the fee set forth in 37 CFR § 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR § 1.114. Applicant's submission filed on September 28, 2004, has been entered.

EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

The following is an Examiner's Statement of Reasons for Allowance: The request for continued examination (RCE) filed in this application is for the expressed purpose of ensuring that the claim language is construed in the manner intended by the applicant. To this end, previous claim language "at least one of" has been modified throughout the claims. Reference is made to applicant's amendment and remarks for all the specific instances. The changes were necessitated by the recent decision by the United States Court of Appeals for the Federal Circuit (CAFC) in *Superguide Corporation v. Directv, Inc.* (CAFC 02-1561, -1562, and -1594, decided 02/12/2004). The Examiner has no reservations regarding the changed claim language, since the intended claim construction is the same as the Examiner's interpretation during previous prosecution. The subject matter of claims 1-63 remains allowable over the prior art for the same reasons made clear during the previous prosecution. No additional prior art references have been found.

Art Unit: 2874

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
